

RECORDARAMA is COMING!

In 2026 RECORDARAMA will be held
on Saturday 1 August

We are very pleased to announce that the Adjudicator this year will be Hannah Coleman. Australian recorder player Hannah Coleman is a versatile musician. A passionate orchestral musician, soloist, chamber musician and music educator, she delights in exploring the ever-expanding range of musical landscapes her instrument offers. Equally at home in the early and contemporary music realms, Hannah has performed with some of Australia's leading ensembles and soloists.
